

## KURT SABIN

SNOW & MX CATEGORY MANAGER

Kurt Sabin has been with Oakley for over 20 years in the Eyewear/Goggle Design and Development sector. Supporting countless product launches and multiple Prizm lens iterations, Sabin uses his passion for action sports to drive his work endeavors at Oakley. From motocross to snow sports, Sabin has stayed close to the sports he loves, while simultaneously creating and developing sport technology.

*“I am inspired by incredible style and sculpture coupled with unimaginative mechanical features and function.”*
